How it works

1. Tell us headcount, date and format (form at dancesanfrancisco.com, or call/text 415-309-1284). **2.** You get a quote the same business day. **3.** A 50% deposit holds the date — we handle instructors, music, run-of-show and arrive 30 minutes early. No experience, partner or dance shoes required; partner rotation means everyone dances with everyone; the format works sober; participation is always optional.
